# INTRODUCING

For over 40 years the Z Car Club of Queensland has catered for Datsun/Nissan Z and ZX sports car enthusiast's social and sporting interests

Club meetings are held regularly and offer a forum for interaction and discussion. Members have the opportunity to be involved in various level of motorsport, participate in driver training programs, enjoy social outings, and engage with other club members from across Australia through organised events. The club holds affiliation to Motorsport Australia

Members with eligible vehicles are able to access the Special Interest Vehicle (SIV) concession scheme through the club. This provides reduced registration and CTP fees for the member but includes strict limited use conditions. By being active in the club, members with SIV registered vehicles have many opportunities for driving their pride and joy on club events.

## Club Membership Options
